Bylaws

1. Introduction to Bylaws

Softball Galway (SG) is the organising body for the sport of softball in Galway, Ireland. SG is recognised by Softball Connacht Munster (SCM) as a committee for softball in and around Galway City. These bylaws and league rules are designed to aid the organisation and implementation of the SG League, SG Development Fixtures, Softball SG Tournaments, and any Championships taking place in Galway.

This document has been separated into two distinct sections; the Bylaws, covering definitions, governance and league conduct; and the League Rules, covering the adjustments to the WBSC Slow Pitch Softball Rules and Regulations document adopted by SG, SCM and SI.

In addition to the Bylaws and League Rules in 2021, SG will also continue to follow the SI Return to Play Protocol (RTPP) with regard to health and safety playing softball during the coronavirus pandemic. Information on the RTPP can be found at the COVID-19 Hub on the SI website (viewable at: <http://www.softball.ie/covid-19-hub/>).

2. Policies & Advisors

The below policies must be adopted by each team in Galway as a matter of good practice. If you would like further advice or information on these policies, then please contact the SG secretary (secretary@galwaysoftball.com)

1. Each Team must follow the SG constitution outlining the rights, duties and responsibilities of its members.
2. Each team must follow the SG privacy policy to make them compliant with the EU General Data Protection Regulation (GDPR).
3. Each team must adopt and follow the SI Injury Policy. Information on the SI Injury Policy can be found at www.softball.ie.
4. Each team must be aware of the SI Safeguarding Policies as players participating in Softball Ireland competitions may be under the age of 18. Information on the Safeguarding Policies can be found at the Safeguarding Hub on the SI website (viewable at: <http://www.softball.ie/safeguarding>).
5. SG recognizes that the consumption of alcohol impairs coordination and judgement. For insurance reasons, SG strongly recommends that players do not consume alcohol before or during league games or tournaments. Any players consuming alcohol may find themselves excluded from SI insurance coverage and open themselves up to personal liability for injuries or damage caused by playing softball. SG fully supports any umpires or other nominated officials who exclude an individual from play due to alcohol induced incapacity.
6. For safety reasons, members are strongly advised against playing while pregnant.
7. Any player who has concerns about insurance coverage (e.g., in case of pregnancy, disability or otherwise) should satisfy himself or herself, through SI, SG or directly with the insurers, as to whether their needs are met. SI and SG will endeavour, where feasible, to obtain any clarifications or additional cover required with any additional cost to be borne by the player. Insurance consultation can be carried out through SG or directly with SI.
8. For insurance purposes, in order to compete in any SG league, championship or tournament, all players must be registered with SI through SCM. SI membership is automatically included with SCM membership.

3. Teams

1. All the team's business with SG must be through a nominated representative, the team captain, or coach will normally be the nominated representative.
2. Each team must have a Captain, Coach, Umpire and Equipment Coordinator, all titles may be held by the same person but this is not advised.
3. Each team will be presented with team gear at the start of each season, it is the captain's responsibility to ensure the equipment is returned at the end of the season and to make SG aware of any missing equipment as soon as it is noticed.
4. Two types of teams will exist within the club
 - a. Local Team – A local team shall only compete with other local teams, local teams created by balancing the skill levels of all Galway players across the local teams to make local games fun and help improve weaker players by mixing with more experienced players.
 - b. National Team – A national team will only compete with other national teams, national teams are created based on skill level, the top 12-20 players will be on the 'A' team the next 12-20 on the 'B' and so on until all players are assigned to a team. Players may also be assigned based on ability to attend games. National teams being split based on skill levels should only be done when competing at SI tournaments e.g BWC or IOST all other away games should play balanced teams.

4. Complaints, Disciplinary Procedures and Appeals

1. Any appeal relating to a disputed game or result must be lodged with the SG secretary in writing (secretary@galwaysoftball.com) within **one week** of the actual incident or in accordance with the tournament or competition rules. In cases where this timeline is not met, the result will stand as reported by the umpire or by either team captain if no umpire was assigned.
2. Any appeal, made under the appropriate article of the SG constitution, relating to an SG decision, which adversely affects a member, must be lodged in writing with the SG secretary (secretary@galwaysoftball.com). This appeal must be made within one week of the member being informed of the decision in writing (email is acceptable) by the SG secretary. In cases where this timeline is not met the decision will stand.
3. Any decisions made in the appeals process are considered final and not subject to further appeal unless the subsequent appeal is considered materially different to the original.
4. Any SG member may lodge a request for disciplinary action to be taken against another member (or members), team (including non-SG registered visiting teams) or umpire for transgressions of these, or other appropriate bylaws, at a game in which they were involved or which they witnessed.
5. The umpire should be notified of the incident at the time of the event or at the end of the game where the incident occurred.
6. Disciplinary action may also be requested in relation to the behaviour of SG members at other events, including social functions organised by SG or subsidiary bodies, public events attended as SG members or officials, any social media sites or published in any form of printed or electronic media.
7. All requests for disciplinary action are to be made in writing to the SG secretary (secretary@galwaysoftball.com) within **one week** from the initial date of the complaint.
8. All requests for disciplinary action must state the date of the incident, the event where the incident occurred and the reason why disciplinary action is being requested. Evidence, where possible (e.g., photos, screen captures, printed or electronic media etc.) should be provided along with the written complaint.
9. SG will appoint a reporting officer to investigate all allegations.
10. For SG disciplinary matters the reporting officer will be selected from the list of qualified umpires officiating over the SG season.
11. The reporting officer must request statements from the complainant, the accused, and any umpire present, and may also request statements from team captains and any SI or SG representatives or other witnesses present at the time.

12. No later than two weeks from the initial date of the complaint the reporting officer will pass on his/her findings to the SG secretary (secretary@galwaysoftball.com).
13. If the reporting officer finds that an offence has been committed, the officers of SG will, within a week and after taking whatever advice they deem necessary, convene an SG committee meeting to hear the accused person's defence, and if necessary, to impose appropriate penalties. If the accused fails to attend this meeting, then SG will apply the penalties deemed appropriate and will communicate them to the player and team contact within one week of the decision being made.
14. SG will inform the accused's team representative, the accused and the complainant of the outcome.
15. An appeal against a decision to impose disciplinary penalties must be made within one week in writing to the SG Secretary and include the appropriate fee.
16. The appeal committee will be convened by SG within one week and must complete its work within a further two weeks.
17. Reasonable expenses may be paid to members of the appeal committee.
18. SG will keep records of each stage of the disciplinary process including any statements given.
19. SG may take disciplinary action against any SG team, club or player based on recommendations given to them by an umpire.
20. SG operates a yellow/red card system for unsportsmanlike conduct. Yellow and Red cards may be issued by Umpires, Team Captains or Committee Members toward a player acting in an unsportsmanlike way.
 - a. Whether a red card or yellow card is to be issued is up to the opinion of the person giving the card, this can be disputed by emailing the SG secretary (secretary@galwaysoftball.com).
 - b. A red card will result in immediate suspension from GS with the person banned from all Galway Softball activities until the GS committee can meet to discuss the ban. Red cards must be reported to the secretary (secretary@galwaysoftball.com).
 - c. A yellow card will result in a temporary suspension from GS of less than one game. All yellow cards must be reported to the GS secretary (secretary@galwaysoftball.com). A 3rd yellow card issued will automatically become a red card.

5. Umpiring

1. SG will schedule umpires to regular league games and will have a chief umpire from Softball Connacht Munster (chiefumpire@softballCM.com) who, with SG, will deal with all umpire-related queries.
2. In the event of no umpire being present, both teams should agree on a basis for umpiring the game.
3. In the event of no umpire being present, the home team captain will assume responsibility for reporting of the match result and submitting the match report card to SG.
4. Where two teams fail to agree on an umpiring arrangement, both team captains should contact SG within 24 hours and report the reason for failure.

6. Protests

1. In order to bring forward a protest, the guidelines outlined in the WBSC rulebook should be followed (Rule 1.2.8 – 1.2.14).
2. Protest outcomes are decided by SG in consultation with the SCM chief umpire and communicated to teams as per the WBSC rulebook (Rule 1.2.14).
3. The written protest with the information described in Rule 1.2.13 should be lodged with the SG secretary (secretary@galwaysoftball.com) in writing (email is sufficient) no later than 24 hours from the scheduled start time of the game in question. Teams lodging a protest are strongly advised to consult the WBSC rulebook and these bylaws before officially lodging a protest with the organising body.
4. SG will issue its decision to both teams and the umpire (if applicable) within two weeks of receiving the protest.
5. Protest decisions cannot be appealed.
6. A 'protest fee' will be charged to the member lodging a protest (when the protest is formally lodged with SG) as outlined in these bylaws. This fee will be returned if the protest is successful. See [Fees](#) for details of the protest fee.
7. Playing a game under protest must be notified to the plate umpire immediately upon reaching that decision. There is no fee for protesting a game or playing the game under protest. If the team playing under protest loses the game, they may choose to lodge the protest officially with SG upon which the protest fee will apply. A team protesting a game with SG should do so in writing, no later than 24 hours from the scheduled starting time of the game being protested, to the SG secretary (secretary@galwaysoftball.com).

League Rules

1. Introduction to League Rules

SG adopts the current rules and regulations as published by the World Baseball Softball Confederation (WBSC) in the 2018 – 2021 Slow Pitch Rulebook. These rules are accessible directly from the WBSC website (link: <https://static.wbsc.org/assets/cms/documents/5e85a934-d622-2bd8-62f9-854264607589.pdf>). The league rules that follow will detail amendments to the WBSC rules and regulations that apply to any softball leagues, development fixtures, championships and tournaments played in the Galway region under SG oversight.

These league rules will take precedence over WBSC rules and regulations where there is a conflict between the two, unless otherwise stated in these bylaws.

2. The Softball Galway League

1. The GS League will be based on a round-robin type competition where each team plays the other twice. Once the round robin is complete the all teams will enter a playoff ending in a final round. The playoffs will be structured as follows

 - b. Winner a. v 1
 - c. 3v2
 - d. Winner of b v winner of c
2. The home team for each league game will be designated according to the schedule as issued by SG.

 - b. The final decision of the validity of the circumstances and forfeiture of the head-to-head record will rest with SG.
7. If any one team forfeits three or more games during a season they will be penalised and required to withdraw from the league with win/loss records (and points if applicable) of the other teams in the league being adjusted to remove their impact on the standings. A team may be spared this penalty if there are exceptional circumstances, although the final decision will rest with SG.
8. In the event of a team withdrawing or being expelled from the league, all of their fixtures will be removed from the schedule. The win/loss records, and points, of the other teams in the league will be adjusted to remove their impact on the competition.
9. In the event of teams having equal points at the end of the season, the following criteria will apply to break all ties. These criteria will be applied in order until the tie is broken (in case of more than two teams tied, the criteria will start over after every team involved has been taken out of the tie by any criteria and there are still two or more teams tied):

2. In the event of a gap developing in an SG championship or tournament due to the non-participation of a team, SG may fill the position as appropriate.
3. In the event of a team withdrawing or being expelled from a tournament, all of their fixtures will be removed from the schedule. The win/loss records, and points, of the other teams in the tournament will be adjusted to remove their impact on the competition.

7. An umpire or any other SG / SCM official is entitled to ask for proof of identity from any player. In the absence of satisfactory proof of identity, the player may be asked for a signature and allowed to play under caution. SG may require the team or player to substantiate this identification at a later date.

- a. A player may only play in a team other than their primary team as per these bylaws when no other primary player is available for that team and that team can only field seven or eight players.
 - b. A team that cannot field a full team in a game may invite the necessary players from any other teams in the league to play for that team for that match day (as long as the players in question are properly registered and insured by SI).
 - c. Any number of players can be borrowed under these rules per game and the gender balance should be maintained:
 - i. In any case of borrowing players, the team requiring the borrowed players should only have seven or eight of their own players available for the game (with a minimum of one female player) and after the substitution the team should have a minimum of three female players and a maximum of nine players in total.

7. Fixtures

1. All fixtures are the property of SG. No team or club may rearrange a fixture without the express consent of SG.

If an amicable arrangement cannot be found, the team requesting the change may ask SG for exceptional circumstances.

5. Exceptional circumstances leading to SG considering the postponement of a game will include:

7. A game suspended for reasons of light, safety or any other reason determined by an umpire (or agreed by the captains in the absence of an umpire), before the conclusion of a legal game must be advised to the organising body, who will reschedule the fixture. Details of such a suspension must include the position of play (i.e., line-ups, position of runners, next batting position, outs, runs, strikes/balls and score) at the time of suspension. The game will resume from the exact point of the suspension of play and will continue to completion.
8. All postponed or suspended games must be concluded by the end of the week of play following the week when the game was originally scheduled. If both teams are unable to agree on a date, or in exceptional circumstances, SG will set the date of the fixture at its discretion. Failure to play any rearranged fixture by a date set by the

organising body where reasonable notice was given may result in one or both teams forfeiting the game.

8. Modified Rules of Play

In Galway the rules of play are adopted from the World Baseball Softball Confederation (WBSC) **Slow Pitch** Softball Playing Rules. These rules are accessible directly from WBSC (link:

<https://static.wbsc.org/assets/cms/documents/5e85a934-d622-2bd8-62f9-854264607589.pdf>).

Galway Softball adapts the rule changes listed in the SCM Bylaws and provides the additional modification below for use in the Galway League. These rules adaptations are intended to level the playing field for new players to make the game more inviting and friendly and encourage participation.

1 THE GAME
